

Issues to be discussed:

- 1) Rebellious mind leads to nowhere
- 2) My parents are my role models
- 3) The only way to learn is personal experience
- 4) Relationships have become interchangeable consumer goods and are a mirror of modern Zeitgeist
- 5) Live fast die young – it's better to burn out than to fade away

Discuss your issue in your group and find **your** solution to the topic. You have to reach a consensus in your group.

Then write **your** group statement (thesis/proposition) and prepare your arguments before you go on stage!

The audience will first listen to your proposition and then open the debate trying to refute your thesis.
